Meet Emma - a highly valued member of our team!

Emma has been teaching at ACRES for 7 years and as she says, has been lucky to be involved in teaching exam and leisure courses across many different age groups.

Emma is particularly good at finding new ways to encourage students who find traditional methods of learning difficult.

Her hobbies include reading, crochet, upholstery and floristry. Emma enjoys audio books and her "go to" titles are the Harry Potter books and Lord of the Rings.
